

3-POINT CONVERSION ADAPTER

The Blue Diamond® 3-Point Conversion Adapter allows you to use your 3-point farm tractor attachments on your skid steer style universal mount. This adapter is great for moving and using farm implements that don't require a PTO! We have options available for both Category 1 and 2 hitches.

FEATURES INCLUDE

- Allows for quick hookup
- Strong adapter welded to a square tubular frame
- CAT 1 adapter features adjustable upper hook for a perfect connection
- Durable powder-coated finish
- Locking levers for an easy secure attach!
- Made in the USA
