

BRUSH CUTTER HEAVY DUTY MINI EXCAVATOR

42"

50"

Blue Diamond mini excavator brush cutters are a natural extension of our skid steer brush cutter line. The extremely rugged direct drive system has a large flywheel that stores energy and keeps the blades cutting even in difficult conditions. These brush cutters use a 3 blade system with straight AR400 double edged blades. These rugged units have proven to be top performers in the industry.

FEATURES INCLUDE:

- Bidirectional operation
- Closed deck
- 3 double-sided blades
- Greasable drive system
- 1/4" deck thickness for 50"
- 3/16 deck thickness for 36" and 42"
- 4" diameter cutting capacity
- 3.5" forged drive spindle
- 5-year warranty on drive spindle
- 1-year warranty

APPLICATIONS

- Mowing steep banks
- Mowing around ponds
- Cutting back brush
- Reaching over fences
