

# BOX BLADE SCRAPER

The standard duty Blue Diamond® Box Blade Scraper is designed for working topsoil, gravel, mulch, or manure. Ideal for use on the farm, at building sites, or for outdoor arenas. This scraper works with 15 hp to 45 hp tractors and is available in 5 widths, from 48" to 96".

For tough jobs, the heavy duty box blade scraper will stand up to the tasks required to maintain your farm, building site, or landscaping projects. This unit makes quick work of ripping up dirt, grading and leveling land, or spreading soil. Models are available in 3 working widths from 72" to 96", with adjustable heavy duty ripper shanks, are compatible with a Category 1 and Category 2 quick hitch, and are designed to work with 30 hp to 70 hp tractors.
