

BRUSH CUTTER SEVERE DUTY

Blue Diamond® Skid Steer Severe Duty Brush Cutter has incredible power and versatility that will all but remove the need for a mulching head. 10" cut capacity and incredible performance in grass make this brutally tough unit the top in its class. Using the highest quality piston motor on the market, torque throughout its flow range is unmatched. The visible pressure gauge keeps you aware of the work load and will allow you to work at peak performance, increasing productivity tremendously! Adjustable skid shoes allow the cutting height to be altered. The mammoth 1" thick blade carrier weighs over 500 lbs and has a serrated edge to help with mulching and destroying fence wire that so often takes out brush cutters. The best just got better!!
