

SWING ARM BRUSH CUTTER

The Blue Diamond® Swing Arm Cutter is a great implement to add to your collection. It is designed for cutting banks, right of ways, and fence lines. The cutter also works great for clearing pond banks and cutting trails. The Swing Arm Cutter provides significant reach advantage over our typical cutter.

PART NUMBER	MODEL	REQUIRED FLOW	WEIGHT
103870	Brush Cutter Swing Arm	14-20 GPM	845 lbs
