

# MINI DISPENSING BUCKET

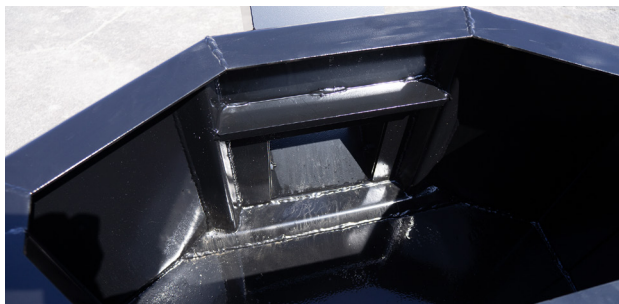

The Blue Diamond® Dispensing Bucket is great for flowable material and can be used for anything from feed to concrete! This 1/4-yard model is the perfect size for Mini Skid Steers. The tapered front helps material flow freely and the removable chute makes cleaning and storage easy!

## FEATURES INCLUDE

- Available with 1/4-yard hopper with tapered front
- Splash guard around top lip
- Removeable chute for easy cleanup
- 1 year warranty
