

GRAPPLE RAKE

The Blue Diamond® Grapple Rake is available with dual top clamps or a large single clamp, based on your needs. The Severe Duty model has replaceable teeth, and all pivot points have grease fittings. This grapple rake is a great alternative to a root grapple where visibility is critical.

HEAVY DUTY

FEATURES INCLUDE

- Single top clamp
- Opens to 52"
- 1/2" tine width

SEVERE DUTY

FEATURES INCLUDE

- Dual top clamps
- 3/4" tine width
- Replaceable teeth
