

MINI LOG GRAPPLE

The Blue Diamond® Mini Skid Steer Rotating Log Grapple is a high quality attachment for tree work. Whether you are working in the log yard or clearing land, this tool can handle the load. The serrated brace under the quick attach area helps stabilize logs when moving. The impressive clamping force holds on to large logs tightly. Two models offered: manual rotation and hydraulic rotation.

FEATURES INCLUDE

- Opens to 66.5"
- Closes to under 4"
- Load stabilization brace
- 2,000 lb capacity
- Serrated quick attach for load stabilization
- Heavy duty welded cylinder
- Serrated boom to stabilize and push
- Rope tie/chain tie-off attach point
