

ROCK BUCKET GRAPPLE

STANDARD, HEAVY AND SEVERE DUTY

The Blue Diamond® Standard & Heavy Duty Rock Bucket Grapple is constructed of 3/8" steel and the Severe Duty Grapple Rock Bucket is made of 1/2" steel. All three models have tines spaced at 3". This popular bucket can be used for sifting or raking and is available with dual grapples for holding your material. This very popular bucket can be used for sifting or raking and is available with dual grapples for holding your load. Works well as a land plane, skimming off high spots with the leading edge and smoothing the loose soil with the rear crossbar. The drop down inside keeps rocks from sliding out.
