

# ROOT GRAPPLE

## LIGHT & HEAVY DUTY

The Blue Diamond® Heavy Duty Root Grapple is designed for up to 50 HP machines and is made from 1/2" steel, this attachment is strong yet light enough for smaller machines such as skid steers. The Light Duty Root Grapple is designed with small skid steers in mind with limited lift capacity. Weighing only 454 lbs, this attachment lets you grab a load without the fear of tipping your machine
