

# SNOW BLOWER HEAVY DUTY

The Blue Diamond® Heavy Duty Snow Blower has been built with durability in mind, constructed from heavy gauge steel with a one-piece side plate for added strength and rigidity. This snow blower uses machine formed hand welded augers made with high tensile steel ribbon flighting to provide strength and productivity for years to come. The 26" diameter, 5 bladed fan evacuates high volumes of snow quickly and efficiently. Available in cutting widths from 62" to 96".

## FEATURES INCLUDE:

- 19" auger made with high tensile steel ribbon flighting
- Heavy duty 5 blade fan, 26" diameter
- Manual pin style adjustable deflector
- Adjustable skid shoes
- Hydraulic powered chute rotator
- Direct fan drive mounted with 2" bearings
- Hydraulic line check valve prevents reverse rotation
- 3.5" round auger tube
- 11" chute diameter
- Replaceable bolt-on cutting edge
- Offset chute design provides better operator visibility
- Optional hydraulic deflector available
- Required flow 14-40 GPM
