

SNOW PUSHER HEAVY DUTY

The Blue Diamond® Heavy Duty Snow Pusher offers excellent value for the commercial snow removal contractor. The Heavy Duty Pusher features an adjustable rubber cutting edge and bolt-on wear shoes made from AR400. The rolled mouldboard keeps the snow load live to reduce the host machine horsepower needed to move large snow loads. The Heavy Duty model uses thicker wear shoes, heavier side plates, and a vertical brace ties the cross-braces together to spread out the impact forces.

PART NUMBER	MODEL	WEIGHT
120135	72" Snow Pusher, Heavy Duty	624 lbs
120150	96" Snow Pusher, Heavy Duty	770 lbs
